

'ENVISION' CUSTOM STAIRS

Leather Risers, Treads & Borders

Stairs can bring a space to life. They should compliment the interior and invite people in. People spend a lifetime with their stairs. Whether the memories include babies learning to climb to the top, the countless pictures taken on the staircase, or simply the daily ups and downs of life, the stairs in the home should be one-of-a-kind.

Keelen Leathers is able to plan, design, build, and even INSTALL the stairs of your dreams. The options for the risers, treads and borders are endless. We are experts in the field and have the best materials to ensure that every job is finished perfectly.

ENVISION

From imagination to fabrication, Keleen Leathers custom area rugs allow whatever you Envision to become reality...

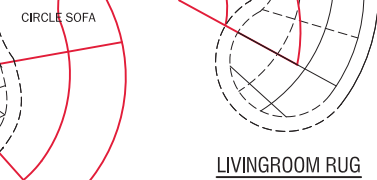

This rug was created to perfectly embrace the client's custom sofa. The rug is composed of an intricate combination of hair-on cowhide, and embossed leather. The drawings below are just a few that were used to attain the finished product.
