

## American West

Full Hide

### Aniline

Inherent in hides:

- Natural Markings
- Fat Wrinkles
- Healed Scars

AMERICAN WEST is a unique leather made on Vegetable Tanned American Buffalo. The pull up finish makes the color dance like glowing “Campfire Embers”. It is as ruggedly handsome as a “Cattle Rustler” wielding a “Branding Iron”. It is a perfect addition to a home or hotel by a “Dry Riverbed” under a “Western Night Sky”. Not “Desert Dust” or “Saloon Gin” can take the beauty of this durable leather, just know it will help develop a gorgeous patina.
