

### Necessary Nubuck

Full Hide

#### Aniline

Inherent in hides:

- Natural Markings
- Fat Wrinkles
- Healed Scars

Necessary Nubuck is just that, very necessary. For those who prefer more grain in their nubuck, this item is made on large South German bull hides. Aniline dyed hides are buffed with brushes to create this supple, gorgeous offering. Spilled liquids should be removed immediately as this top-grain leather is a bit more porous.
