#### Distressed

Inherent in hides:

- Natural Markings
- Fat Wrinkles
- Healed Scars

Old and new collide with our tough and rugged Tumbled Rough collection! A heavily waxed pull up leather that softens and patinas overtime with use. The result is a distinctly authentic and rustic look perfectly defined with each application.

Elements to look for:

Does this leather scratch or not? Does the distressed or crackled finish enhance with use or is it stable? Does the color shift or get lighter with tensions or movement? Your sales representative is happy to assist with any of these questions or to help guide your selection.
