“Sorry Not Sorry”, but THROWING SHADE is a leather to “Envy.” The bold colors shout like they have “No Filter” and are a “Sassy” addition to any design. “Two-Faced” as a soft to touch matte finish that is actually durable. So durable that “Grudges” and “Revenge” won’t stop this leather. The “Unsweetened” “Pride” is the gorgeous, mottled effect creating a depth to the color that does not “Overshadow.” There will be no “Bitter” “Contempt” in selecting THROWING SHADE for the next project!
